ABOUT PHYSICIAN PARTNERS OF AMERICA

Headquartered in Tampa, Fla., Physician Partners of America (PPOA) is a fast-growing national healthcare company that manages a wide range of medical practices. These include interventional pain management, laser-assisted minimally invasive spine procedures, orthopedics, psychology, personal injury, Workers' Compensation, and

AAAHC-accredited ambulatory surgery centers and procedure suites.

Its ancillary division includes imaging, medical supply distributorship, pharmacies, a COLA-accredited high-complexity quantitative toxicology lab, and a COLA-accredited pharmacogenomics lab.

PPOA was founded with the purpose of strengthening the doctor-patient relationship and improving patient outcomes.

The company and its affiliates share a common vision of ensuring the safety and well-being of patients, and providing alternative treatments in the national struggle against opioid abuse.
