## **JOSH HELMS**

**SENIOR VICE PRESIDENT  
SALES AND MARKETING**

An expert in managing rapidly growing enterprises, Josh Helms provides energetic leadership to our sales and marketing divisions. He oversees a wide range of cross-functional operations, creating and implementing strategic initiatives related to customer service, patient acquisition and retention. He is also responsible for the strategies behind PPOA's branding initiatives, corporate messaging, and operational growth.

He came to PPOA with a long history

of providing executive leadership at Laser Spine Institute. There, he served in progressive leadership roles culminating with senior vice president of CARE Operations

Helms earned his bachelor's degree in Social Work from the University of South Florida and his MBA from the University of Tampa - John H. Sykes College of Business.

In his spare time, he serves as a board member and ambassador of Metropolitan Ministries.

## ABOUT PHYSICIAN PARTNERS OF AMERICA

Headquartered in Tampa, Fla., Physician Partners of America (PPOA) is a fast-growing national healthcare company that manages a wide range of medical practices. These include interventional pain management, laser-assisted minimally invasive spine procedures, orthopedics, psychology, personal injury, Workers' Compensation, and

AAAHC-accredited ambulatory surgery centers and procedure suites.

Its ancillary division includes imaging, medical supply distributorship, pharmacies, a COLA-accredited high-complexity quantitative toxicology lab, and a COLA-accredited pharmacogenomics lab.

PPOA was founded with the purpose of strengthening the doctor-patient relationship and improving patient outcomes.

The company and its affiliates share a common vision of ensuring the safety and well-being of patients, and providing alternative treatments in the national struggle against opioid abuse.
